

What is KARIYA FreeWi-Fi

KARIYA Free Wi-Fi is a free Wi-Fi service provided by Kariya city in cooperation with other enterprises.

■ The Company may restrict access to harmful sites (through filtering, etc.) in providing the Services in order to protect the younger generation.

■ Data sent via the KARIYA Free Wi-Fi network is not encrypted in order to keep the network easily accessible by everyone. Accordingly, the content of communications made using the network may be intercepted, and any personal information entered into it (e.g., IDs, passwords, credit card numbers, etc.) may be seen by others. Users are asked to understand this point when using the network and to take personal responsibility for protecting their information.

There are two authentications, "Sign in with SNS account" or "Sign in with Email address".

STEP 1

SSID: Select the "KARIYA_Free_Wi-Fi" in the setting screen of your device and open the browser.
